

COMMUNION

When we come to share in bread and wine we invite everyone who has committed their life to Jesus and wants to follow him to come forward. The front rows come first and stewards will tell you when to move. Usually those on the left go to the left hand side and those on the right go to the right. Please stand or kneel to receive bread and wine as you prefer and fill up as much of the space at the front as you can. Non-alcoholic juice is available instead of wine - just let those who are serving know. There are also gluten free wafers.

It can take quite a while for everyone to receive communion but it's good to keep an atmosphere of prayer whilst this is happening. So after you have received yourself please resist the temptation to chat to others and take the opportunity instead to be still and quiet, to reflect on the sermon, and to pray for others who are still going up to receive.

COLLECTION

We do not pass a collection plate during our services - instead we have a basket near the church entrance where we ask people to place their gifts towards God's work. The work of the church depends upon the regular faithful giving of God's people and we encourage all who consider themselves members of Holy Trinity to give using envelopes or by standing order so that we can reclaim Gift Aid on their donations.

WILL DRAINS ORDINATION SERVICE

Will Drain is being ordained at Chester Cathedral on Sunday the 22nd July.

The cathedral staff have asked us to let them know how many will be attending so they can reserve a block of seats to all sit together.

With a lot of people attending from other churches it is important that we let them know as soon as possible.

There is a sign up sheet at the back which also has details to fill in for transport planning purposes.

If you are planning on going to the service, can you please sign up as soon as possible.

On that Sunday, we will be having normal 9.15am and 11.15am services here at Church

CARE FOR THE FAMILY

CONFIDENT PARENTING IN A DIGITAL AGE COURSE

In a society that is predominantly digital, our children are growing up with a world of online possibility at their fingertips. It's an exciting world for them to explore, but also a potentially dangerous one. As parents and carers it's natural to want to protect our children from these dangers. So how can we ensure that our kids are safe without preventing them from accessing the many advantages?

Power up your parenting for the online generation with Katharine and Philip at *Connected – Confident Parenting in a Digital Age*. Manchester 13th June £6.00 For more information speak to Mike Green or visit :
