

## FOOD BANK

"The Foodbank is in need of a few able-bodied volunteers who are available on Saturdays to help with making up orders in the warehouse. This is a regular, weekly (or fortnightly) position so we are looking for someone who is in a position to commit to this. We are looking for someone who can do some simple maths, has common sense and is able to lift and carry. Full training will be given. Please contact Heather Shepherd [heather@tamesideeast.foodbank.org.uk](mailto:heather@tamesideeast.foodbank.org.uk) for more information. Thank you.

At present they are low on the following; Tinned Tomatoes, Tinned Rice Pudding, Tinned Fruit, Tinned Sponge Puddings, Squash/Fruit Juice, Instant mash. Tinned meat. Thank you

## CAP MONEY COURSE

This is a three session money management course that teaches budgeting skills and a simple cash-based system that really works. If you are interested in the next course please contact Pete and Vera on 07800 539608 or [veraworm@hotmail.co.uk](mailto:veraworm@hotmail.co.uk)

## GIVING

We do not pass a collection plate during our services - instead we have a basket near the church entrance where we ask people to place their gifts towards God's work as part of our worship.

If you would like to join our regular giving scheme and set up a standing order, please contact our Treasurer Jamie who will be happy to help you [jamiesheps@hotmail.co.uk](mailto:jamiesheps@hotmail.co.uk)

**PLEASE PRAY** for the ministry and mission of the church and this week...

- For our upcoming APCM and all those who will stand for PCC
- For Ruth as she joins us and leads the youth ministry.

### **Tear Fund - "Lighting the Darkness".**

Millions of people in the poorest parts of the world have no access to electricity and yet have massive potential for solar energy. Investment in solar power could lift people out of poverty without damaging God's creation and without contributing to Climate Change.....and yet the World Bank is still supporting the fossil fuel industry.

Tear Fund are seeking our church's support to petition the World Bank to shift its investment towards clean , renewable sources of energy.

If you want to support the move from polluting fossil fuels towards clean wind and solar power, thereby helping the world's poorest people, please sign the "Lighting the Darkness" petition, either as a paper copy or on line. Nick will be at the back of church to help. nicholas.lowther1@btinternet.com
