LIFT TO CHURCH

We are looking for someone to offer a lift to church for a young mum with a child. This would be for maybe just once a month. If you are able to offer a lift please contact the church office.

COLLECTION

We do not pass a collection plate during our services - instead we have a basket near the church entrance where we ask people to place their gifts towards God's work.

PLEASE PRAY for the ministry and mission of the church and this week...

- For the PCC meeting on Monday and to discern a new Treasurer
- For Ruth our new Youth Pastor joining us in April
- For those going to New Wine leaders conference
- For all new people joining us that they would know the love and welcome of Jesus and the church family.

PRAY FOR ME

If you have any prayer requests please email them to: prayformeht@gmail.com

HAS SCIENCE KILLED GOD

On Wednesday **13th March**, 7.30pm at St Peter's House, Oxford Road, Manchester M13 9GH there is a free public talk.

Does science contradict and undermine faith? Must Christians choose between one or the other? Or is the relationship between the two actually something much more exciting? Come and explore these questions and more at a free public talk to be given by Dr Denis Alexander from the Faraday Institute for Science and Religion, Cambridge. Organised in partnership with the local branch of Christians in Science.

GREEN CHURCH FILM NIGHT

7pm, Friday 29th March

The Bible is awash with God's concern and love for his Creation. So much so that God has asked us to help take care of this planet and all the things that live on it with us – amazing! Come and watch 'Before the Flood' a recent film that gives an up to date picture on the state of our planet and if we are living up to looking after it. After the film there will be a short time for reflection and discussion about what we can be doing as individuals and as a church to take care of God's good world.
